

# Coming!

A Sunday Night Preaching Series!  
A guide to our church for what is imminent!

A mighty glory  
A sudden deluge  
A powerful wave of God is soon to fall!  
Be ready, be prepared

**CRITICAL**

**MASS**

Critical mass is a nuclear term. It refers to the minimum amount of radioactive material that can and will sustain a nuclear chain reaction. God is seeking out those who can and will sustain a chain reaction of glory in our church and to our world.
