

*The lower he  
takes you the  
higher he can  
raise you*

Many people fail to see the death work of the Holy Spirit. But it is there, it is calculated to bring you into the nature of Christ. Don't forget that soon after the Holy Spirit fell in Acts 2 there was a death in Acts 5. The message to the whole church was that the Holy Spirit was not only the Spirit of life but of death too.

The Holy Spirit wants to take our flesh nature lower, and he does this by bringing death to it. Petty feelings, gossip, selfishness, anger, unforgiveness, pride, comparing ourselves to each other, are all brought a death blow by the Holy Spirit. The result is a meek and quiet spirit under perfect control of the Holy Spirit, a personality very much like what Jesus has.

Now God can raise you, he can exalt himself through you. He can do mighty things through such a vessel, because He knows all the glory will come back to Him!

God is doing this work now in our church. Please allow the Holy Spirit to continue. The good work begun will be the great work accomplished once we fully submit to this lowering of self.

God bless you all,  
Pastor Chambers
