

Are you seeing what you see?

As I write this, I am sitting at a laptop computer with a wireless card e-mailing this article to the church computer. How the waves go invisibly to the tower, to the receiver, to arrive at the church computer, I do not know. It is incredible when you think of the technology we use everyday. Wireless phones show us digital maps, receive our e-mails, text, facebook, twitter, oh and of course, receive and send calls. All these signals bouncing 22,000 miles up off a satellite in space and bouncing down again to the correct receiver. But are we seeing what we see?

*In front of us lies the Word of God which predicted all of this. The world will be one in essence tied together economically, and in technology so that a man can arise who will control it all. **The Word of God is in front of the White House, the Pentagon, the CIA and all other brilliant minds put together.** We are on a path, a road map laid out by God himself and we will surely see its fulfillment.*

The changes we see have increased in number and sequence. Rapidly now God is ticking off the sequence of events He put in his book, the acceleration of depravity, sin in broad daylight, and people with no shame or self control; the departure from the word of God in churches who

remove crosses they were once proud of and sang songs about. Are you seeing what you see? The disciples didn't see the miracle of loaves and fish when Jesus fed 5000. They were sent out into the sea for an all night rowing lesson against strong head winds.

Keep your head up, keep your eyes on God, and keep your heart clean. Stay true to the Lord. It is just about over; the Lord is coming for his own!!

Pastor Chambers

Scripture For The Week

...."and the God who holds your breath in His hand and owns all your ways, you have not glorified.

Then the fingers of the hand were sent from Him, and this writing was written. And this is inscription that was written: MENE MENE TEKEL UPHARSIN This is the interpretation of each word, God has numbered your kingdom and finished it." Dan. 5: 23b-26

Sunday, August 16th

10:30am
Rev. Richard Tucker

6:00pm
Rev. Nelson Feliciano

Don't Miss It!
A great day in the Lord!

Saturday August 29th.
Another Great
"Night of Praise"

Our regular Saturday night prayer meeting turns into a night of praise as we gather in the annex and feast together physically and then worship together spiritually.

6-8pm
