

# Finding Your Place Among the Elite!

It is a statistic that 10% of a church's membership participate in ministry.

That means that 90% fall into the second category of doing little or nothing for the Kingdom.

Join the 10% that make a difference. Right now the church ministries are open for the fall semester.

These 3 months of commitment will be life changing especially if you have never been in ministry before. As I preached Sunday when we cast our bread upon the waters they always come back. Are you putting anything out there for God to bless? The text says "after many days" it will return some 7 and some 8 fold.

Pray about your life making a difference in someone else's life this fall. That is what ministry is all about.

## To review ministries with opportunity's are:

**Video ministry:** recording and making copies of cds and dvd's. This is an outreach in the truest sense and it ministers to so many people who cannot attend the services.

**Choir:** a powerhouse of God's blessings, the praise is awesome as they sing under the anointing.

**Missionettes:** for young girls, a vibrant strong ministry with strong weekly attendance.

**Royal Rangers:** for young boys, also a blessing and challenge for young men

**Christian Education:** if there is any ministry Satan hates in particular it is this one. For the young minds that sponge up information at incredible rates are on Satan's hit list. Whether in Sunday School or Children's church this is a great ministry to be a part of.

**Youth:** for many years Bro. Baker has led our youth into the streams of the Holy Spirit. They have grown up in God and continue to do so as this ministry flourishes.

**Usher:** this ministry has rewards like all the rest, as it is laboring for the Lord in his House. If you are interested in being a part of something big for God contact the attendant in the foyer after one of the services.

God bless you as you consider working for the King among the "elite".

Pastor Chambers

## Announcements
