

## *Don't Forget The Little Things*

If as the Bible says, “the little foxes spoil the vine”, then on the positive side the little things are the difference in victory for us. Don't forget to track the little things in your life that God does for you, as a letter from someone, a word of encouragement, or the timing of things when God moves in. All of these add up to a complete picture of God's loving care for us.

It happens more than you know. Recently I began to write down all the “small things” of God and was amazed at the list I had. Encouragement came from people with a word or a letter. It came from the witness of the Spirit to my heart. Early in the morning just as I wake up, many times I hear the Spirit speaking truth to me! What a loving God we serve. He waits all night and then starts our day with faith and joy! Keep an open eye and heart to hear what God is saying!

The little cloud the size of a man's hand that Elijah received was just the first evidence of something mighty and big that was coming. We have prayed as a church for many years and God's little signs to us are evidence enough if you know what you're looking at. Great things, mighty things are looming ahead. Keep your head up, keep looking in faith, our breakthrough is very close! Rain came for Israel because of Elijah's prayers. The small cloud turned into a mighty cloudburst!

It's just ahead, can you see the rain coming?
