

# Faith Up!

*I heard this expression as I was on the way to the office the other morning. "Faith up fear down" is the message I received. I quickly realized the Lord was telling me that my faith was something I had to choose to use. Faith is a mighty shield but it has to be lifted to be any good. How many times do we allow Satan to harass us tolerating his insult.*

*You have the power, faith is your protection, hoist the shield high! You will quench **all** the fiery darts of the wicked one!*

*When faith goes up fear goes down. Fleshly thinking comes under the domination of the Spirit of God! Fear comes when we reason within ourselves, when we rationalize and paint scenarios in our minds. God will give you faith for all your battles, but not for all your imagined battles! Most of the things that cause fear NEVER HAPPEN!*

*3 Ways We Lift Up The Shield Of Faith!*

- 1. Through our words, faith has to come out of your mouth. Your words either condemn you or justify your faith, say it brother say it!*
- 2. Through your actions, God wants to see how we respond to these challenges. Don't change anything spiritually, when under attack keep up*

*your church attendance, keep praying, stay encouraged.*

*3. Through your ministry, all of us are ministers called of God to reach out to others. One of the greatest acts of faith is to minister to someone else when you yourself are hurting. This completely destroys the devil's plans. If your grown kids are acting up, go and bless someone else's kids. Minister to people it is a great testimony of your faith.*

## ***Sunday Nights- A Powerful Change***

*God is already honoring our Sunday Night Services as we have turned them into prayer meetings. Last Sunday two women were saved. This is God showing us that He is pleased. When Zion travails, sons and daughters are born into the kingdom.*

*Be there Sunday Nights 6:00pm!*
