

Which circle are you in?

Everyone falls inside of one of the above circles.

The first circle shows the cross to be outside of the man's world. His existence is alone and no matter how much he accumulates inside his circle he is a beggar without God.

The second circle shows the second state of man. Everyone is either lost or saved and the second man is saved, the cross is inside his world, but notice who is seated on the throne of his life. This takes into account a lot of Christians lives. They love Jesus and know him, but the real boss is "self". Everything that touches them is gauged by how it affects "self" and they take appropriate action based on how "self" feels.

The third circle shows the true way the only way to be a Christian. Notice the man has surrendered the throne of his life to the cross. He no longer makes decisions on his own, he consults the Holy Spirit for constant guidance in life decisions. This man is truly blessed of God and will reap great rewards in eternity. Remember, **He is either Lord of all or He is not Lord at all!**
