Turn off your brain.....

Turn on your heart.....

"Trust in the Lord with all your heart and lean not on your own understanding, in all your ways acknowledge Him and He shall direct your paths" Proverbs 3:5-6

I think we are too cerebral. I think we try to figure God out. Everything He speaks we run through our brain to see if it makes sense and if it's worth obeying.

Never can we be successful in God like this. In matters of faith many times you have to turn off your brain and go with what your heart says. "For with the heart man believes unto salvation". Notice Paul didn't say with the brain man believes. The Proverbs text even tells us specifically not to use our own

understanding. That doesn't mean we become "mindless" and quit using our sense and reason altogether. But it does say that with faith, you use your heart.

The more you think about your problems with rationalization and reason, the more prone you are to doubt God and His word to you. I call it "selective thinking" there are just some places I can't go mentally and keep pleasing God. I have to choose to cast down all these thoughts to the glory of God. Go with what you know not what you feel, and you'll be famous by Friday with God!!
