

Bible breakers.....

Ever since Lucifer lied to Eve saying, "ye shall not surely die", he has been trying to break God's Word.

Consider: a hundred years ago an agnostic named Ingersoll held up a Bible and said, "in fifteen years I'll have this book in the morgue".

Fifteen years rolled by, Ingersoll was in the morgue, and the Bible lived on. Voltaire, an atheist in France said that he would write a book to make the Bible obsolete and that in 100 years the Bible would be a forgotten book to be found only in museums.

In one hundred years Voltaire's house was owned by the Geneva Bible Society. Recently 92 volumes of Voltaire's books were sold for \$2.00.

How about the current banning of the Bible from our society? Every year there is a push to remove "in God we trust" from our currency, take prayer out of the senate, and take the mention of God down from all the shrines in Washington DC. Yes, the same devil is still fighting the Bible and he is still losing.

If Satan attacks the Word with such vengeance, there must be good reason, it is sharper than a two edged sword. Keep a Bible close at all times, one in your car, in your purse, read and study and meditate on it. Remember Satan is giving us great incentive to keep it close!!

Now he who keeps his commandments abides in Him and He in him. And by this we know that He abides in us, by the Spirit whom He has given us. 1 John 3:24
