

Mountain Mentality

Caleb declared, “now therefore give me that mountain whereof the Lord spoke of in that day.” Caleb had a mountain conquering mentality. 40 years had elapsed and all of his friends died, but he was as strong at 85 as he was at 45.

Are you convinced that what God said He will do? Are you unshakable in your resolve to do God’s will at any cost? Here is what Caleb overcame to have such faith:

@ 10 bad reports couldn’t budge his faith. It wouldn’t have mattered if there were a 100 men with negative doubt filled findings, Caleb was convinced in himself, down in his heart he believed God. People’s opinions are just that. Opinions, they don’t alter the word of God one iota.

@ Passage of time didn’t affect him: 40 years is a long time to believe, but it had no effect on his faith. Only when we settle all the doubts, does time cease to be an issue. Faith is our part, time is God’s part, take care of yours and God will take care of His!

@ Giants and walled cities: Caleb saw the same things as the other 10 men saw. He saw how big the giants were, he saw how high the walls were. But his faith was higher than their

giants and their walls. How high is your faith? Raise it up if it needs stretching. Out of 2 million people Caleb and Joshua were the only two men of that generation who charged into Jericho. You can charge the mountain too, but you need the Caleb faith to do it!

Scripture For The Week

“Set me as a seal upon your heart, as a seal upon your arm; for love is as strong as death, jealousy as cruel as the grave; its flames are flames of fire, a most vehement flame. Many waters cannot quench love, nor can the floods drown it. If a man would give for love all the wealth of his house it would be utterly despised.”
