

The evidence of faith:

No one believes without evidence to convict of the truth of something. Paul talked about the evidence of faith, but I think many of us miss it because we are looking in the wrong places.

Faith has its' own evidence.....and it is of "things not seen". Believing what cannot be seen is impossible in the natural. We try to look with natural eyes to see evidence of things not seen. Everything Satan offered Jesus on the mountain of temptation had to do with the seen, offering the "kingdoms of the world", that they could see below from the mountain. The next temptation had to do with "bread" a seen temptation. Satan still moves in the "things seen" to tempt and seduce us away from God!

Faith's evidence however is internal, it's the still small voice of God whispering to your heart. It's his presence in love that melts away your fears and unbelief, and causes you to rest in His promise. It's his Word that supports and sustains us as we read it. But it cannot be seen with the natural eye or perceived by the carnal mind, it is invisible and internal. Faith is on the inside!

So quit looking around you, quit relying on people to help you, quit asking everyone's opinion about your situation. Get alone with

God and let him speak to your heart, there alone is your help!

Scripture For The Week!

"Surely not one of these men of this evil generation shall see that good land of which I swore to give to your fathers, except Caleb the son of Jephunneh; he shall see it, and to him and his children I am giving the land on which he walked because he wholly followed the Lord.
