

for this is your wisdom and your understanding...

Who among us does not want more wisdom and understanding, especially in the day in which we live with its challenges morally, economically and every other way?

God thinks he knows best! He told Israel to listen to the statutes and judgments which he taught them to observe that they may live, and go in and possess the land! (you cannot know what you don't read, study the Word of God and follow it)

You shall not add to the word which I command you, nor take from it, that you may keep the commandments of the Lord. (God is jealous for His Word and watches over it to perform it in your life. Just be careful that you don't ignore the parts you don't like)

Your eyes have seen what the Lord did at Baal Peor, for the Lord your God has destroyed from among you all the men who followed Baal of Peor. (All of us have seen God move in people with judgment because they wouldn't break off their sins, it is a silent witness to you, you're no better than them)

But you held fast to the Lord your God and are alive today, every one of you.

Therefore be careful to observe these commands for this is your wisdom and your understanding in the sight of the people!

We will survive in these last days and even thrive as we continually obey God's Word! God makes us smart and wise and flourishing while the world flails and falters. Tie into God, get close to His Word, spend time with Him and watch your life be established!!

Scripture for the week:

“Therefore know this day and consider it in your heart, that the Lord Himself is God in heaven above and on the earth beneath; there is no other. You shall therefore keep His statutes and His commandments which I command you today, that it may go well with you and with your children after you, and that you may prolong your days in the land which the Lord your God is giving you for all time.”
