

Re-prioritizing for 2011

"We are merely moving shadows, and all our busy rushing ends in nothing. We heap up wealth not knowing who will spend it. And so, Lord where do I put my hope? My only hope is in you."Ps.39:6

I don't know about New Years resolutions, but I do believe at the beginning of a new year we should get alone and pray and take a good long look at ourselves and how we are doing. We should be brutally honest as to where we are with God!

Remember, only the spiritual is eternal. In a trillion years you will be alive reaping the rewards of what you did in this short time span on earth. Everlasting fire or everlasting habitation, the choice is ours. Most of the things that occupy us, our time, our love, and our treasures all come to nothing.

In 2011, go after God like never before. Determine now that this year will be different and mean it. Show up at church regularly, crack your Bible open and read it regularly. Join a ministry. Spend some extra time for the Lord. Even a cup of cold water done in service to God doesn't go without reward! Think about the eternal and where you will be in a 100 years and let it change your life! God will smile and you will be so grateful for the change.
