

Seeing Heavenly Things

How many of us would like to see the heavens open up for us? Glimpses into the eternal, the majestic other side are available based on one criterion.

I found the answer in this verse, *"If I have told you earthly things and you believe not how shall you believe if I tell you of heavenly things"*

John 3:12

The action of believing is a requirement of heavenly things. Spiritual eyes are not opened except by believing.

Let's start where we are. All of us in the kingdom have received words from the Lord. Promises based on his faithfulness that will surely come to pass if webelieve. Are you believing for what God has already showed you? Do you confess that promise daily? The implication of John 3:12 is that God has told us many things that we are not believing, we are doubting, double minded, **we speak against what God has spoken for.** Why would Jesus give us greater revelation if we don't act on the revelation already given?

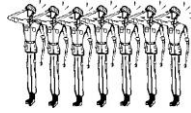

Start today, this is a new year. You can make a difference without seeing any changes around you; you can change what's in you. When your mouth, your belief, and your confession lines up

with God's Word over your life, then and only then will you break through into new green pastures, new revelation and new victories.

God bless you everyone,
