

Spectacular Signs

"What sign will you perform then that we may see it and believe you? What work will you do?"

John 6:30

This is an odd question that the people asked Jesus in view of the sign they had witnessed only the day before. What sign was that? The feeding of 5000 people.

They had all not only seen a miracle on the grandest scale but had eaten of it. And yet it did nothing for their faith. The miracle didn't cure their unbelief, they wanted a more spectacular one!

This is the condition of the human heart. All of our hearts are this way. The more we see the more we want to see, and the less we believe. We never believe by seeing, we only see after we have believed. Signs follow not precede the believer.

God set it up this way so that the initiative begins with you not Him. We lead with our mouth, with our heart, with our actions, and as God see's our faith he follows with signs!

You can change your world today. Start believing God. God has done already great things for you, remember them and use them to bolster your faith for tomorrow's challenges.

God bless you all,

Doug Chambers
