

20/20 VISION

We all know 20/20 vision is perfect vision. I recently stumbled upon a spiritual 20/20 in the Bible. 2Chron. "20-20" tells us when we "believe", we gain perfect vision. Believing God opens up a whole new world of sight. We see things our natural eyes cannot see, and our senses cannot perceive.

It is interesting this prophecy was given at one of Israel's most crucial times. They were facing an army far larger than them. And as they prayed, the 20/20 vision came into focus. "Believe in the Lord your God and you shall be established, believe His prophets and you shall prosper".

Israel couldn't just mouth words of belief, but they had to go out and face the enemy believing and saying their faith. Armed with nothing more than words, they were to say, "Praise the Lord for His mercy endures forever". Without weapons of the flesh they were truly going to put their lives on the line, and by singing this song expect God to defeat a huge army. What happened? What always happens when you trust God and believe? God turned their enemies on each other and they killed themselves.

When will we learn that if we do it God's way, using the 20/20 vision of "belief", God will fight for us every time! Start each new day saying, "Lord I believe". Rehearse God's promises, watch every word and keep them positive and faith filled. As you do this, your understanding will increase and your spiritual vision will open up. Things that have baffled you for years will suddenly become crystal clear. Believing God is a powerful tool, heaven and hell are in it!
