

# “for the iniquity of the Amorites is not yet complete”

God told Abraham that He would bring Israel into Canaan when the iniquity of the Amorites was complete or full. God had a set time, an assigned day when He would use Israel as judgment on the nations that lived in the Promised Land.

This is still God’s method of operation today. He has the whole world on a very precise course, right down to the day when He himself will roar from heaven and the kingdoms of this world shall become the kingdoms of our Lord.

## Look at the filling cup of iniquity:

@the sin of Sodom cries out for God to judge the earth, the cup is getting full.

@One dictator after another is being toppled in the Middle East as radical Islam unites country after country in hatred of the Jews.

@We have aborted over 50 million babies in this country. The cup is filling.....

@The church has become the darling of the world as she laid in its lap and got a haircut. She has lost her distinctiveness and ability to see any change through the power of God.

@This without a doubt hastens the time of the filing cup. It’s about over saints! Let us pray and fast and believe as never before, the cup is filling and the trumpet is about to sound!
