

“held back” for destiny

Five hundred people saw Jesus leave and go back to heaven and they all heard angels tell them to go back to Jerusalem and wait for the promise. Yet we know it was not 500 on the day of Pentecost but 120. God “held back” for himself a remnant to carry out his will.

God always has just the remnant. Masses never hear and obey. When Elijah was just sure that Jezebel had corrupted all the people, God assured Elijah that he had held back 7000.

One of the ways we know we truly belong to the Lord is the ability to hear this “held back” message. God’s instructions often include “waiting and praying”, which is precisely what they did at Pentecost. Many times in the fire of tests, we hear the Word of the Lord to “hold still”, “wait”. We are in the “held back” mode with God.

So when God is not moving for you, when answers aren’t coming, know that God is working, and you are being honored by being “held back”.
