

Perfect

The world admires excellence. A perfect diamond is a great treasure. Perfection is pursued all through life on many levels.

The Bible gives us a greater definition of “perfect” than any other source in the world. It talks about *“the spirits of just men made perfect”*. This says that God is not content just to save me, but wants to produce a “perfect spirit” within me!

David asks God, *“make my way perfect”* and then later he confidently adds, *“the Lord will perfect that which concerns me”*. Isaiah talked about *“perfect peace for those whose minds were stayed on God”*.

Paul talked about *“God’s strength being perfected in his weakness”*. Until God can weaken you he cannot perfect you!

Paul said in Ephesians that the *“perfect man would not be tossed to and fro by things of this life”*. James adds that, *“patience will make you perfect so that you lack nothing”*.

From all of these scriptures we can see that God is at work in all of us, perfecting our lives on many levels. Recognize this work and cooperate with God. It will make life much easier!
