

Testimony Spotlight

Lynda Prescott

Several years ago, my three sons and a family friend were incarcerated, either jail or prison. The family friend got three strikes, twenty five to life. Several complaints were brought to my attention, so difficult to get a bible, hardly any church services and the morale of these men was down. I felt led to send our church bulletin to each one of them, four different institutions. I anointed every bulletin with oil before sending them. This spirit filled word in the bulletin was touching lives, healing broken hearts, setting the captives free. By the time they received bibles, they were excited to read them as these bulletins opened up a new lifestyle, new hope in Jesus Christ. Even guards are reading these since all the mail has to be checked out! I thank God for a pastor that still believes in the Holy Spirit to guide him to write these bulletins as the Lord Jesus leads him, they are touching lives all over the. Fasting is mentioned in some of these bulletins. I received letters, of the answered prayers, personal visitations from our Lord Jesus Christ from the men in these institutions,
