

# The Proper Use of Reasoning

Reasoning is often given a negative connotation when used in the life of the Christian, especially in faith. Using your mind to try to understand and explain what God is doing causes certain defeat.

Yet there is a powerful use for reasoning if it comes from a heart of faith. I found this scripture in Heb. 11:19 in Amplified version *“for he reasoned that God was able to raise him up even from among the dead.”* Abraham never flinched when God asked him to sacrifice Isaac. He used his reasoning to believe. If God gave him a miracle once, in the birth of Isaac, he could do it again, by raising him from the dead!

Reasoning: to induce a change of opinion in someone through presentation of arguments.

Use your mind to believe God. Use His Word as your argument against your own logic. Bring your imagination into subjection to the Word of God. Reason for victory, you already have it in Christ. Reason for faith, you have it too! Use reasoning to push you higher up the mountain and your life will take on real meaning for the Kingdom of God.

“Come let us reason together says the Lord of hosts, though your sins be as scarlet they shall be white like wool”

God bless you,

Quote for the week:

“An absence of passion is no sign of maturity”

God loves zeal.....”*the zeal of the Lord of hosts shall perform this”* Isa. 9:7

“Linda, those pants we had on sale – were they machine washable?”

Sometimes things don't turn out as we expected, but with God, we're never disappointed.
