

... and nothing causes them to stumble

Would you like to be in the place with God where nothing - no trial, no test - could make you stumble?

It is possible! David answered this question by saying "Great peace, have they who love your law and nothing causes them to stumble."

Not just peace but great peace. It is the quality of the peace here that is going to secure your heart and mind, help you to settle down, and to have faith!

This great peace is connected to something. It is the outgrowth of the fruit of a person who spends a lot of time in the Word! How much Bible do you read? Your peace is commensurate with and in the same ratio to your time in the Word of God.

Developing the habit of reading the Word, at the same time daily, focuses your heart on what God says. You will be amazed at how the Holy Spirit will take up the reins of direction and bring illumination to you.

Every day the Word is new! I find fresh food daily as I focus on the Word. The Holy Spirit

goes through the garden of the Word and picks the fruit that will nourish me for the day!

No one can calm you, reassure you, and mentor you like God can through His Word. Learn to love it!
