

a delivering God!

Last Sunday the Holy Spirit fell in a way we have not seen in a long time! Four men were set free from alcohol addiction - all of them being slain in the power of the Holy Spirit!

God is doing great things. He is honoring the prayer that goes up continually each week!

Delivering us is God's specialty! He delivered Israel from Egypt. He delivered the whole world through Jesus, His son. He delivered Peter from prison. He delivered Paul and Silas from jail. He delivered Daniel from the lions' den, and the Hebrew boys from the fiery furnace! Deliverance describes God as much as any attribute He has.

Whatever chains hold you back, God can break them. There is no bondage too strong for God! He delights in this display of His power. Let's start reaching out to God in more faith, with greater anticipation. God is large and in charge!
