

It is the spirit who gives life, the flesh profits nothing!

Jesus made this statement when the disciples complained about some of his harder teaching. He was saying to them, "if you are spiritual you can understand, but your fleshly reasoning is profiting you nothing."

Our biggest goal is to align ourselves with God so we can hear and see and receive from Him. God is a Spirit and they who worship must do so in Spirit and in truth! Paul said it this way, "to be spiritually minded is life and peace, to be carnally minded is death."

Your joy, your peace, is all a direct result of your thinking! If you align yourself with God's Word, praying in the Holy Spirit, you will experience God's peace and joy.

Every problem presents a challenge to your spirit and your flesh. How will you handle it? Will you take up the battle with fleshly reasoning or will you give it to God. This whole kingdom we are in is "spirit based". The more of the Spirit of God you receive, the greater your joy.

God bless the church,
