

Plenty of Money in 2012!

Jesus gave us 38 parables; 16 of which deal with money management. More is said in the New Testament about money than instruction about heaven and hell combined. There are 500 plus verses on both prayer and faith, but over 2000 verses that deal with money and your possessions.

The Bible is the greatest financial manual ever printed. A true understanding of money, what it's for and what it's not for, how to prosper with it, and myriads of warnings about its abuse are all encapsulated in the Word!

We must remember that God owns it all! The wealth of the world is His. He has the original deed and he'll have it when you're gone. He is more than willing to share His resources with us. Since all your money is God's money, every spending decision is a spiritual decision. Your check book is a spiritual reflection of your love for God!

On Sunday Dec.18 a special offering will be received for Jesus' birthday. He lives in India this season. At least He does for us. We will be blessing Pastor Philip and the 45 other pastors

who serve with him in the remote areas of southern India. Pray now about what to give!

The end of the year is quickly approaching. If you have lagged behind on your giving, plan now to catch up! December 25th is the last day for giving and getting credit for this year's giving.

God bless the church,
Pastor Chambers
