Speaking Mysteries!

Paul said when we pray in tongues we speak mysteries! It's the only case where after you have spoken something it's still a mystery as to what you said. Paul said our understanding is unfruitful but our spirit is edified. Yet what we speak in tongues is clearly understood by God, Himself. It is not unintelligible gibberish, but a clear distinct language that God uses to bring about His will and strengthen the person speaking.

The devil hammers away at speaking in tongues. Many churches deny it, or make it past tense. Some allow it only in back rooms, never in the service. But to those who know the power of God, speaking in tongues is one of the highest privileges we have. Instead of being ashamed, our church puts it front and center. You will never be censured, or told you're out of order to speak publicly in tongues in our church.

Consider: **the Holy Ghost is the power of God!** Without it there is no hope of miracles, signs, and wonders. **The Holy Ghost is the strength of God.** The Greek word for power is dynamos, meaning dynamite!

The Holy Ghost is the only thing that will keep us clean. The Word can be manipulated to fit anyone's lifestyle. But the Holy Spirit in the

life of a believer will never let you abuse the Word! This is why many people run from the Holy Ghost; they don't want the light turned on their darkness!

Don't be afraid. Don't be ashamed. Move forward with the Holy Ghost this next year. Answers, power, mysteries are all tied up in Him!

Scripture of the Week

²⁰ Where is the wise? Where is the scribe? Where is the disputer of this age? Has not God made foolish the wisdom of this world? ²¹ For since, in the wisdom of God, the world through wisdom did not know God, it pleased God through the foolishness of the message preached to save those who believe. **1 Corinthians 1:20-21**
