

Making the Holy Ghost Your Best Friend!

I believe God is calling us to a closer walk with Him in this new year! And that means walking closer to the Holy Spirit.

We need to think of the Holy Spirit as our closest friend. You stay in contact with your closest friend, you talk with them about everything. Spending time with them is one of the things you enjoy the most. And so, too, the Holy Spirit wants to be on this level with you!

His attributes are amazing: He is the 3rd part of the Godhead! He knows all things at all times! He is invisible, so He is with you wherever you go. One of His greatest names is "comforter." How good is that; who doesn't need comfort in this day full of trials and tests? He is known as the "Spirit of truth" which means you will always know what is false in your life.

I urge you to spend time with the Holy Spirit make ever effort to live a life closer to Him. Talk to Him first thing in the morning. Ask Him for help during the day. Ask for guidance on decisions. I have drawn closer to Him and found a whole new relationship as a result, and you can too!

Prayer revival huge success!

At this writing, the prayer revival has just begun, but already we had 80 people seeking God last night! This is a tremendous testimony to the constant teaching and believing that "prayer is vital." Join us this Sunday for a great climax to the buildup in prayer all week! The Crandalls will join us, and special guests will be preaching this Sunday night, the 22nd, at 6:00pm.

A Word From the Lord (Prophecy and interpretation given last Sunday morning):

"For, I am the God that never changes! I am He that keepeth each and every Word. I keep My promises unto My people, and say unto you this morning, in the midst of the times, in the midst of troubled times, having done all, continue to stand, for I am the Mighty Warrior. I am the Mighty God, and I will thrust you forward!" says the Lord of Hosts."

"I get a real sharp pain when I do this."

The old song says, "Oh what needless pain we bear, all because we do not carry everything to God in prayer."
