

“Chrislam” the newest twist in Christianity

The merging of Christianity and Islam! Imagine pastors with huge followings in California that are speaking at these conferences to find common ground for Christianity and Islam to embrace each other!

This Sunday night at 6:00pm, we will be exploring at some depth this latest wave of new age religion. Don't miss this service!

3 things to cast down in 2Cor.10:4-5

Warfare is what you think.....we are to mentally cast down everything that exalts itself against the knowledge of God. They are named and defined below:

Theories: proposed explanation.

Reasoning: the process of forming conclusions, judgments, or inferences from facts or premises.

Lofty: arrogant conceit, exalted in rank or character, haughty.

You can see from these descriptions that God expects our minds to be under His control not ours! He has a very narrow view of what is acceptable thinking. Without the aid of the Holy Spirit and a life continually feeding on the Word we will surely fail.

@ Be aware of the thoughts that come to you daily.

@ Recognize we have an enemy whose only portal to hit us with is our thoughts!

@ Be quick to cast down each and every thought that causes fear, worry, anger, lust, etc.

@ It is very simple with your mind, you can go on attack or be under attack! The choice is yours!
