Rebuilding The Tower!

All of us remember 9/11 and the horrible event of the twin towers collapse. It has been over 10 years, but now a new one is being built. It will be 776 feet tall, and 3000 workers are building, at a cost of 100 million dollars a month!

This is the statement we send to the world, that America will come back even stronger and better! But have things been better and stronger in the last ten years? Are we closer or further away from God? State after state adopts gay marriage laws. In 2011 Planned Parenthood killed over 300,000 children in the womb. Wickedness grows exponentially.

"Unless God builds the house, they labor in vain." How far do we go before more judgment comes to wake us up? We are still asleep in our sins. "She has lived in luxury and pleasure, so match it now with torments and sorrows. She boasts, 'I am queen on my throne. I am no helpless widow. I will not experience sorrow.' Therefore, the sorrows of death and mourning and famine will overtake her in a single day. She will be utterly consumed by fire, for the Lord God who judges her is mighty." Rev. 18:7-8

Our position as Christians is to redeem the time, to keep our hearts clean, and to be expecting the Lord's return very soon!

God bless you all,

Pastor Chambers
