## The Name

**The name Rockefeller** will open the doors of every bank in America.  
**The name Beethoven** will open the doors of music halls worldwide.  
**The name Einstein** will open the doors of science all over the earth.  
**But the name of Jesus will open the doors of heaven and close the gates of hell!**

As Christians our big weapon is His Name! God highly exalted Him and gave Him a name above every name, that at the name of Jesus, every knee shall bow! I feel sorry for people who go to Christian churches who are afraid or ashamed to use the name of Jesus in their own services.

We stay saved the way we got saved, "Whoever shall call on the name of the Lord shall be saved." Use the name of Jesus daily. Whisper His name. Meditate on His name. There is peace, rest, comfort, and power in that mighty name!

Today, the mood is to make religion universal. It doesn't matter who you pray to, they say, because all roads lead to God. What a lie! Jesus said "I am the way, the truth, and the life. No man comes to the Father, but by me."

People curse using the name of Jesus for the same reason we pray to Him; there is power in the NAME!
